

Atreca to Participate in the Canaccord Genuity Horizons in Oncology Virtual Conference

April 13, 2023

SAN CARLOS, Calif., April 13, 2023 (GLOBE NEWSWIRE) -- Atreca, Inc. (Atreca) (NASDAQ: BCEL), a clinical-stage biotechnology company focused on developing novel therapeutics generated through a unique discovery platform based on interrogation of the active human immune response, today announced that John A. Orwin, President and Chief Executive Officer, will be participating in a panel discussion on T-Cells and "Informative B-Cells" at the Canaccord Genuity Horizons in Oncology Virtual Conference on April 20th, 2023, from 10:00 to 10:45 AM ET.

A live webcast of the panel will be available to registered conference attendees through the conference portal. Atreca management will also be participating in virtual one-on-one investor meetings during the conference. Registered attendees interested in scheduling a meeting may do so by contacting their Canaccord representative.

About Atreca, Inc.

Atreca is a biopharmaceutical company developing novel antibody-based therapeutics generated by its differentiated discovery platform. Atreca's platform allows access to an unexplored landscape in oncology through the identification of unique antibody-target pairs generated by the human immune system during an active immune response against tumors. These antibodies provide the basis for first-in-class therapeutic candidates, such as our lead product candidate ATRC-101. A Phase 1b study evaluating ATRC-101 in multiple solid tumor cancers is currently enrolling patients. For more information on Atreca, please visit www.atreca.com.

Forward-Looking Statements

This release contains statements regarding matters that are not historical facts that are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements regarding our strategy and future plans, including statements regarding the development of ATRC-101, and our preclinical and clinical plans and the timing thereof. Our actual results may differ materially from those indicated in these forward-looking statements due to risks and uncertainties related to the initiation, timing, progress and results of our research and development programs, preclinical studies, clinical trials, regulatory submissions, and other matters that are described in our most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission (SEC) and available on the SEC's website at www.sec.gov, including the risk factors set forth therein. Investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this release, and we undertake no obligation to update any forward-looking statement in this press release, except as required by law.
